

Elite Series, Multi Adjustable Bench

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility and exerciser. The Elite Series Adjustable Bench is designed to provide a strong, stable lifting platform suitable for free weight exercises and also suitable for use in conjunction with a range of stands and power racks. The adjustable back pad provides huge versatility with regards to the range of exercises that can be performed.
