TORNADO AIRBIKE BLACK EDITION

The Gym Gear Tornado Airbike is the perfect tool for intense cardio workouts, or more gentle workouts and rehabilitation. The Unique air resistance is channelled through the dual action system to both of the arms and legs providing a total body workout. The faster you pedal the greater the resistance. Designed for commercial environments the Tornado Airbike is both durable and comfortable.

BLADE 2.0 ROWING MACHINE

This super smooth rower feels just as good as the leading rower in the fitness industry.

The base of the Blade 2.0 Rower sits 50cm off the ground making it easier to get on and off and the machine itself weighs nearly twice as much as the leading competitors. The comfort seat ensures that the user can row comfortably for longer periods of time.
